UNINOVIS students help shape European policy

Five UNINOVIS students joined more than 240 peers from 54 European University Alliances at the European Student Assembly in Strasbourg (20–22 April). They co-drafted policy proposals in thematic panels; 84 of the 85 proposals were adopted.

Dear UNINOVIS community,

This spring, students did not only take part in UNINOVIS activities: they shaped them. They solved real data and cybersecurity challenges, led peer learning, and helped write policy recommendations for EU institutions. Researchers, meanwhile, began preparing joint proposals for European research funding.

— The UNINOVIS communication team

IMPACT THIS QUARTER

84/85
student policy proposals adopted at the European Student Assembly

45
participants in the peer-led Innovation Camp in Tirana

3
hackathons and challenge camps run for students

HIGHLIGHTS AND RESULTS

UT

27 Apr – 1 May 2026

Cyber-Drill: a cybersecurity hackathon in Tirana

Five days of training, a live cyber-defence competition and peer learning, supported by Albania's National Authority for Cybersecurity. Students from UT, Kauno kolegija and Sorbonne Paris Nord took part.
